

It is that time of year again! We are looking for donations for the Whitetails of Wisconsin Annual Fundraiser on **April 13-14, 2012**. No donation is too small and every one is vital to our survival. We have many challenges ahead for our industry and need not only funds, but member participation to survive. W.O.W. is one of the state associations leading the way for our industry. We have been able to come to the aid of our members and other states in their times of need because of your generosity in the past. It is very important that we maintain that. Thank you for any donation you can make!
