Whitetails of Wisconsin awarded a \$500 scholarship to Alyssah Kubly at the WOW Annual Spring Auction previously held in early April at The Three Bears Resort in Warrens, Wisconsin. According to the Wisconsin Cervid Farmers' Foundation, Alyssah is one of four winners selected each year. Any applicant must be either a member of Whitetails of Wisconsin themselves or a child/grandchild of a member.

Alyssah attended Monticello High School and is currently a junior at the University of Wisconsin-Milwaukee studying nursing. She is the grandchild of Tom and Carol Kubly, members of Whitetails of Wisconsin since 2012. Besides her studies, Alyssah works multiple jobs as a CNA, on-campus food caterer and bartender. Her community involvement includes basketball and volleyball intramural sports, coaching little league basketball and softball teams and volunteering at the Monroe Clinic hospital and 2017 American Cancer Society's Relay for Life of Green County.
