

Whitetails of Wisconsin Spring Banquet & Fundraiser on March 18, 2023

DONATION FORM

No donation is too small, and every one is vital to our survival. We have many challenges ahead for our industry and need both funds and member participation to survive. WOW is one of the state associations leading the way for our industry, taking part in the rule-making processes and assisting in financially supporting research efforts. WOW has been able to come to the aid of our members, as well as other states, in their times of need because of your generosity in the past. It is very important that we maintain this. If you're unsure of what to donate this year, consider becoming a banquet sponsor. Options are listed below.

THANK YOU for any donation you can make!
