Biggest Yearling Contest Animal DNA Registration

As someone who purchased or won a straw of semen or live animal at the Whitetails of Wisconsin's annual fundraiser in 2022 that qualifies under the 2022 Biggest Yearling Contest Rules, you are receiving this letter as notification of the deadline for submitting animal DNA number as entry into the contest.

As stated in the contest rules, for each straw obtained at the 2022 WOW Auction, no more than three dams, are eligible for the contest. If you only bred one or two does with the straw of semen, only submit those numbers. Three does is the maximum allowed. Please sign and date the form, include the numbers of the three does that were bred to the semen/animal you won or purchased at the 2022 WOW banquet, and return the form to:
